

Chemlube Premium Gold SAE 20W50 API SN

Chemlube Premium Gold is a premium engine oil that is formulated for turbo-charged and naturally spirited gasoline, propane, natural gas engines in passenger car and light duty truck service. The Premium 20w50 meets or exceeds the API SN classification. This oil is designed for use in U.S., European, and Japanese passenger cars, vans, sport utility vehicles and light duty trucks.

Features

- Meets or exceeds API Service SN.
- Meets passenger car and light truck manufacturers warranty requirements.
- Lubricates, cools, and protects turbo-charged high-revving engines that operate at high temperatures.
- Protects the engine in controlling varnish, deposits, rust, corrosion, wear, and cleanliness.
- Designed to flow at low temperatures to get to vital engine parts quickly.

Applications

- Passenger car and truck gasoline, propane, and natural gas engines specifying API service SN engine oils.
- Maintains the warranty requirements for today's passenger car and light duty trucks.
- Reduces high temperature oxidation.
- Energy-Conserving for improved fuel economy.

SAE 20w50 API SN TYPICAL PROPERTIES

cSt @ 40° C (D445)	160.00
cSt @ 100° C (D445)	18.30
Viscosity Index (D2270)	125
CCS Viscosity (D2602), cP @ -15° C	8500
Flash Point (D92), ° C	204
Pour Point, (D97), ° C	-21
Color (ASTM)	3.5
Zinc (ASTM) ppm	853
Phosphorus (ASTM) ppm	775
